

Figure 1 consists of 12 histograms arranged horizontally, labeled x_0 through x_{11} . Each histogram shows the frequency of values for x_k ranging from 0 to 10. The distributions are approximately normal, centered at 5. The peak frequency (count) for each x_k is as follows:

k	Peak Count (at $x_k = 5$)
0	10
1	10
2	10
3	10
4	10
5	10
6	10
7	10
8	10
9	10
10	10
11	12
